

THE LEGACY RESIDENT RETENTION PROGRAM

THE DATA

95% of participants joined the LRRP because of **rising property taxes**

After joining:

- **65%** were less worried about **losing their home**
- **54%** experienced **less worry/stress** about **money**
- **50%** felt more secure when **planning for the future**

Tanisha in her yard, a photo voice entry

My roots run deep - through the **home** I've built, the **neighbors** I love, and the **legacy** I'm committed to protecting. This tree reminds me that **even when things change**, I am grounded here. **This is where I belong.**

Teneka's tree, a photo voice entry

"This tree is a constant reminder that **everything grows with love**, just as our family and home. We are so grateful the LRRP **offers opportunity for our family to bloom.**"

Beverly & her family, a photo voice entry

"...I feel blessed to be able to leave my daughter, grandchildren, and great grandchildren **a legacy**. This community was **in need of tender love and care...**"

"LRRP has been a **lifesaver** for me. As a senior on a **fixed income**, I don't know how I would have **kept my home** without it."
-Survey Respondent

"This is HOME. I don't want to sell my property - I want to **pass it on to my family.**"
-Survey Respondent

CALL TO ACTION

Property tax relief **prevents displacement**

Housing stability **reduces stress**

Financial relief → **greater ability** to fulfill **basic needs**

Aging homes **remain at risk** without **repair support**

Long-term funding is essential for community stability
